EXPERIENCE

UNITED STATES MARINE CORPS

2021 – 2027

Commissioned officer (Captain); logistics and supply leadership across three assignments and two deployments.

Officer in Charge, Supply & Logistics (S-4), 6th Communication Battalion — Brooklyn, NY

2025 – Present

- Direct an 8-Marine supply section and a \$1M operating budget for a communications battalion.
- Built an automated dashboard giving leadership real-time visibility into unit expenditures, replacing manual tracking and accelerating budget decisions.
- Authored the battalion Mid-Year Budget Review, surfacing a vehicle lift-kit shortfall that triggered a MARFORRES-wide procurement action — elevating a unit need into a force-wide capability gain.

Logistics Current-Operations Officer (J4), Combined Special Operations Joint Task Force-Central — Camp Xiphos, Jordan 2025

- Designed and built a real-time logistics dashboard spanning 21 countries, adopted as the command's daily decision tool for senior leaders.
- Directed the \$13.1M drawdown of 903 assets across 7 forward bases in Iraq and Northern Syria, tracking each closure end-to-end for stakeholders up to U.S. Central Command.
- Brokered a multi-party agreement that cut transport-request processing time 81% (21 days to 4); recovered a \$592K cache of unaccounted equipment.

Supply Officer, Combat Logistics Battalion 11 — Indo-Pacific (Operation Koa Moana 23)

2023 – 2024

- Owned end-to-end supply and contracting for a 5-country, \$6.1M deployment, enabling 108 distinct operations on a compressed timeline.
- Reconciled a \$250K, 2,000-item equipment account to zero discrepancy at turn-in; unit recognized as most combat-ready in 1st Marine Logistics Group ("Fight Tonight," Q3 FY23).

SILVERLININGS METALS, New York, NY

2025 – Present

Founder & CEO — online price-comparison platform for physical precious metals.

- Built and launched the platform solo, including the underlying code, while serving full-time — giving buyers real-time transparency on dealer premiums over spot.
